HOW TO HELP!

The Bullard Foundation is a Team of Parents that work with the principal and staff to ensure that grade levels are funded when needed and to ensure our STEM lab continues to be funded.

We need volunteers and Community Partners to continue to be successful.

Volunteer today to help us spread the initiative to fellow parents, community leaders and businesses to help us build a better future for our students. Together we can continue to make a difference within our local schools.

Please go to our Donate Now button on our website to show your support.

Visit www.bullardfoundation.org/get_involve for more information on how you can help!

ABOUT US

MISSION

It is the mission of the Bullard Elementary School District Educational Foundation to support and recognize innovative programs that offer hands-on experiences for students. We will work with the community to increase capital improvement, technology and instructional programs for public education.

VISION

To help our community, one school year at a time. We would like each teacher, student and staff member to benefit from our efforts.

VALUES

We strive for all children to be enriched by our efforts in providing everything that the teachers need to better educate our children. Our children's future in education is our number one priority. We will work diligently to provide every needed item for our staff; therefore, benefiting our school.
